University of South Florida
College of the Arts
School of Architecture and Community Design

Faculty Matrix Spring 2016

Faculty Members	Summary of expertise, recent research, or experience	ARC 5382 - Core Design 2	ARC 5364 Advanced Design A	ARC 5366 - Advanced Design C	ARC 5931 - Urban Design Studio	ARC 5732 - Architecture History II	ARC 6298 - Professional Practice II	ARC 5467 - Materials and Methods	ARC 5669 - Evironmental Technology	ARC 5586 - Structures II	ARC 6936 - Research Methods	ARC 6971 - Master Project 2	ARC 5931 - Care of Making	ARC 5931 - Architecture for Real Estate A	ARC 5931 - The City	ARC 5931 - Vets Mini House	ARC 5931 - Intro to Revit	ARC 5931 - Teaching Methods	ARC 5931 - Urban Resiliency: Alternative Dev	ARC 5931 - Intro to Digital Design	ARC 5931 - Japanese Architecture	ARC 5931 - Global Urbanism NOW	ARC 5931 - The Music Box	ARC 2211 - Introduction to Architecture	ARC 2131C - Introduction to Architectural Design	ARC 2132C - Introduction to Architectural Design	ARC 2702 - Architectural History II	ARC 2172L - Architectural Engineering Drawing	ARC 4831 - Physics for Architecture
Azdell, Darren	Design, Real Estate Dev													■															
Cooke, Steve	Design, Materials and making	■										■	■																
Curran, John	Design, construction.																												
Fritz, Adam	Design, Drawing																												
Galbraith, Christopher	Design, Digital design.																			■									
Green, Trent	Community design, urban history and theory.			■	■							■										■							
Gunderson, Martin	Post war American house, design pedagogy,																												
Giusti, Giancarlo	Design, Detail construction.																												
Halflants, Michael	Hesidential desgn, housing prototypes, Sustainability		■	■								■																	
Hanwisai, Chaddy	Design pedagogy																								■				
Hardie, Samuel	Revit																■												
Hayes, Andrew	Design, sustanibilaty, urbanism.																												
Hendershot, Angela	Design, sustanibilaty, urbanism.																												
Hicks, Brandon	Design																												■
Hudson, Robert	Design, Building tech, Structures.																												
Kara, Levent	Theory, design, digital representation.	■										■																	
MacLeod, Robert	Urbanism, Post-war American City, Design studio pedagogy.											■						■											
McDowell, Jeffery	Digital Design																			■									
Mckenna, John	Enviromental technology, construction building systems.								■																				
Molnar, Carlos	Materials, building construction.							■																					
Powers, Daniel	Professional practice, design construction.		■				■					■																	
Ring, Kristien	Urban Design, Housing.		■	■															■										
Russell, Stanley	Theory design, materials.		■									■									■								
Robles, Josue	Urban design.			■								■				■													
Sabia, Taryn	Urban + community Design.			■								■			■														
Sanders, Nancy	Design pedagogy, Asian Mega-cities, Flordia Landscape		■	■								■														■			
Sznurkowski, Krystyna	History, Design.					■																					■		
Weston, Mark	Digital Design.	■	■								■	■																	
Wampler, Jan	Design pedagogy, urbanism.			■																									
Welty, Jason	Design.																												
Weaver, Christopher	Design and digital representation.																												
West, Brian	Design, Materials																								■				
Wisehart	Hand Drawing.																											■
