University of South Florida
College of the Arts
School of Architecture and Community Design

Faculty Matrix
Spring 2015

Faculty Members	Summary of expertise, recent research, or experience	ARC 5362 - Core Design 2	ARC 5364 - Advanced Design A	ARC 5366 - Advanced Design C	ARC 5931 - Urban Design Studio	ARC 6732 - Architecture History II	ARC 6288 - Professional Practice II	ARC 5467 - Materials and Methods	ARC 5689 - Evironmental Technology	ARC 5931 - The Sustainable City	ARC 6936 - Research Methods	ARC 6971 - Master Project 2	ARC 5931 - Care of Making	ARC 5931 - Architecture for Real Estate 4	ARC 5931 - The City	ARC 5931 - Reading & Represent The City	ARC 5931 - Intro to Revit	ARC 5931 - Modern Housing	ARC 5931 - Urban Acupuncture Small Urban Interventions	ARC 5931 - Intro to Digital Design	ARC 5931 - Japanese Architecture	ARC 5931 - Teaching Methods	ARC 5931 - Detail Making	ARC 2211 - Introduction to Architecture	ARC 2131C - Introduction to Architectural Design	ARC 2136C - Introduction to Architectural Design	ARC 2702 - Architectural History II	ARC 2122L - Architectural Freehand Drawing	ARC 4931 - Physics for Architecture
Azdell, Darren	Design, Real Estate Dev	■												■															
Cooke, Steve	Design, Materiality & Making											■	■																
Curran, John	Design, construction.																												
Fritz, Adam	Design, Drawing																												
Galbraith, Christophe	Design, Digital design.																			■									
Green, Trent	Community design / engagement, urban history and theory.			■	■							■				■													
Gunderson, Martin	Post war American house, design pedagogy, urban design.																												
Giusti, Giancarlo	Design, Detail construction.																						■						
Halflants, Michael	Residential design, housing prototypes, sustainability		■									■						■											
Hanwisai, Chaddy	Design pedagogy, Design																								■				
Hardie, Samuel	Revit																■												
Hayes, Andrew	Design, sustanibilaty, urbanism.			■																									
Hendershot, Angela	Design, Physics																												■
Hicks, Brandon	Design	■																											
Hudson, Robert	Design, Structures.																							■					
Kara, Levent	Theory, design, digital representation.	■										■																	
MacLeod, Robert	Urbanism, Post-war American City, Design studio pedagogy.											■										■							
McDowell, Jeffery	Digital Design																												
McKenna, John	Enviromental technology, construction, building systems.								■																				
Molnar, Carlos	Materials, building construction.							■																					
Powers, Daniel	Professional practice, design construction.		■				■					■																	
Ring, Kristien	Urban Design, Housing.																												
Russell, Stanley	Theory design, materials.		■									■									■								
Robles, Josue	Urban design.											■							■										
Sabia, Taryn	Urban + community Design.			■						■		■			■														
Sanders, Nancy	Design pedagogy, Asian Mega-cities, Florida Landscape			■																						■			
Sznurkowski, Krystyn	History, Design.					■																					■		
Weston, Mark	Digital Design.		■								■	■																	
Wampler, Jan	Design pedagogy, urbanism.			■																									
Welty, Jason	Design.																								■				
Weaver, Christopher	Design and digital representation.																												
West, Brian	Design, Materials																												
Wisehart	Hand Drawing.																											■
